

# 2016 – 2017 Training Opportunities

## ELECTRO MECHANICAL TECHNICIAN

Classes begin January 2017

### *Cohort Training:*

- TEL 101 DC Analysis
- TEL 110 Electronics I
- MAT 110 Technical Mathematics I
- IST 105 Industrial Systems Drawings
- TEL 102 AC Analysis
- TEL 200 Electro/Mechanical Systems
- ELT 204 Intro to PLC
- TME 115 Basic Technical Skills

**FREE**

National Science Foundation  
JP Morgan Chase Scholarship

**For Information**

**(610) 359-5362**

**kkozachyn@dccc.edu**

## COLLEGE SCHEDULED TECHNICAL COURSES

*Every Semester*

Manufacturing-related courses offered at Delaware County Community College.

**Subjects include:** *Welding, Machine Tool Technology, Industrial Systems, Process Control, CAD, Technical Comm., Project Management, Electronics*

**Reduced Tuition**

**Members of the MACC/DC.**

*(course and materials fees still apply)*

## NTMA - REGISTERED Apprenticeship Program

### **CNC Machinist**

Classes Begin January 2017

- Competency -Based. Industry Supported
- Three (3) Year Program – Flexible
- Students can apply for Prior Learning Assessment to validate existing skills.
- Administered through the NTMA
- Competencies align with 12 NIMS Credentials

**Tuition:** Students are eligible for financial aid, College scholarships, and other available funding

Application Submitted: America's Promise could cover tuition.

## CNC OPERATOR/ METALWORKING PROGRAM

Classes Begin January 2017

### *Cohort Training:*

- MTT 108 Math for Occupational Technologies
- MTT 100 Print, Layout, & Mesmnt for Machining
- TME 115 Basic Technical Skills Electronics I
- MTT 213 Manufacturing Processes
- TME 111 Machining Technology
- MTT 210 CNC Machine Tool Operations
- MTT 220 CNC Programming / Ad. Operations

**FREE**

**Workforce Innovation Fund Grant**

# Delaware County Community College Training Opportunities

## Pre Apprenticeship Training

### ELECTRO MECHANICAL TECHNICIAN

Classes begin January 2017  
*Cohort Training:*  
 TEL 101 DC Analysis  
 TEL 110 Electronics I  
 MAT 110 Technical Mathematics I  
 IST 105 Industrial Sys Drawings  
 TEL 102 AC Analysis  
 TEL 200 Electro/Mechanical Systems  
 ELT 204 Intro to PLC  
 TME 115 Basic Technical Skills  
**FREE**  
**National Science Foundation**  
**JP Morgan Chase Scholarship**

### CNC OPERATOR/ METALWORKING

Classes Begin January 2017  
*Cohort Training:*  
 MTT 108 Math for Occ Tech  
 MTT 100 Print, Layout, & Mesrmnt  
 TME 115 Basic Technical Skills  
 MTT 213 Manufacturing Processes  
 TME 111 Machining Technology  
 MTT 210 CNC Machine Tool Ops  
 MTT 220 CNC Programming / Ad. Ops  
**FREE**  
**Workforce Innovation Fund Grant**

## New Hire/ Entry Level Training

### ELECTRO MECHANICAL TECHNICIAN

Classes begin January 2017  
*Cohort Training:*  
 TEL 101 DC Analysis  
 TEL 110 Electronics I  
 MAT 110 Technical Mathematics I
