AMP

ADVANCED MANUFACTURING PREMIER
SHAPING THE FUTURE OF ADVANCED MANUFACTURING THROUGH STEM

WHAT

A day to get high school students, their parents and adults excited about careers in advanced manufacturing. Our direct engagement can demonstrate the connection between our field and STEM education to get the future STEM workforce pumped about advanced manufacturing!

School Day Session *(High school)*

- Industry Tables
- Demos
- Student Activities
- Q & A

Evening Session *(Parents & Community)*

- Industry Tables
- Meet & Greet
- Q & A

WHY

- Encourage more students to pursue career & technical education in high school.
- Be able to utilize skilled TCHS students in your business as early as their junior year.
- Recruit new hires among adults looking to break into advanced manufacturing.
- Create a positive impression for our industry with students and parents.
- Increase the awareness of advanced manufacturing as a STEM career.
