

MACC/DC Partnership Meeting & Networking Event

Wednesday, May 9
4:30pm-5:30pm
5:30pm-7:30pm

Partnership Meeting
Networking Event

LaCabra Brewing
642 Lancaster Avenue
Berwyn, PA 19312

Pre-registration is required:
Manufacturer Ticket \$30
Service Provider Ticket \$40

Our Partnership Meeting will include a presentation by Sassan Hejazi who serves as Director, Technology Solutions at Kreischer Miller. He will provide a summary of the Kreischer Miller Manufacturing Survey.

The networking event will feature Latin-inspired gastropub appetizers and craft beers brewed on site. **Please help us to grow the Alliance by inviting a fellow manufacturer to attend!**

Service providers are welcome, however, we respectfully ask that you invite a manufacturer to register and attend the event with you.

of Chester & Delaware Counties

A Chester County Economic Development Council initiative

ABOUT MACC/DC:

MACC/DC is a collaboration between the Chester County Economic Development Council (CCEDC) and the Delaware County Community College (DCCC) with support from the Chester County Workforce Development Board (WDB). MACC/DC strives to build the broad spectrum of human resources, workforce development and business services needed to support and grow the manufacturing industries in Chester and Delaware Counties.

An initiative of the CCEDC and DCCC, MACC/DC is funded in part by the private sector with grant funding received from the Pennsylvania Department of Labor and Industry through the Chester County WDB.
