A Chester County Economic Development Council initiative

ABOUT MACC/DC:

The Manufacturing Alliance of Chester and Delaware Counties (MACC/DC) is an industry-led partnership that collectively and collaboratively leverages its combined resources to develop and advance the manufacturing community of southeastern PA.

An initiative of the Chester County Economic Development Council (CCEDC) and Delaware County Community College (DCCC), its mission is to create a strong manufacturing partnership of employers, vendors, and public partners.

For more information, contact Jim Lauckner, 610.321.8231 or jlauckner@ccedcpa.com.

AGENDA:

- 8:00-8:30 a.m. Check in and continental breakfast
- 8:30-10:00 a.m. Meeting and presentation
- 10:00 a.m. Optional site tour

Our breakfast briefing hosted by Southco, Inc. will include a presentation by Sassan Hejazi, Director, Technology Solutions at Kreischer Miller. It will be an interactive overview of Kreischer Miller's latest Regional Manufacturing Survey, discussing key indicators and issues impacting local middle market manufacturing executives and strategies adopted to address their concerns. This will be an opportunity for participants to share their experiences and benefit from a peer to peer learning environment.

A continental breakfast will be included in your ticket price.

Please call Jim Lauckner at 610-321-8231 with questions or to learn the benefits of participating in the Manufacturing Alliance.

Tickets are limited and sales will end September 11 at 8am.
